

## Workshop resource:

### Options for working more closely with the community

<p>Worksheet for group discussions</p> <p><b>Stage of the process:</b> (Delete as appropriate)</p>	<ul style="list-style-type: none"> <li>• Asking people what they think</li> <li>• Developing the strategy</li> <li>• Action / implementation</li> <li>• Monitoring</li> <li>• The LSP</li> </ul>
<p>Objectives for community involvement</p>	
<p>Who should be involved?</p>	
<p>How should they be involved?</p>	
<p>How can this build on existing processes, link into existing organisations, build in support from existing workers?</p>	
<p>Are new processes required?</p>
